

TDS RECON

TOUGH AS EVER.
EVEN MORE CAPABLE.

RUGGED AND WATERPROOF

LONG-LIFE BATTERY

WINDOWS MOBILE 6.0

VERSATILE CONFIGURATIONS

Next-generation Recon adds integrated wireless, more memory, plus Windows Mobile 6

The TDS Recon® handheld from Tripod Data Systems™ adds new capabilities to help you do even more in the field. Available integrated Bluetooth and 802.11g wireless keep you connected. Versatile Microsoft® Windows Mobile® 6 software runs the applications you use most. Plus, the Recon offers even more Flash memory: 128 MB on the Recon 200X and 256 MB on the Recon 400X.

Compact, lightweight and built tough

The compact Recon weighs just 17 ounces, yet its rugged design delivers reliable performance in the field. The Recon meets rigorous MIL-STD-810F military standards for drops, vibration, humidity, altitude and extreme temperatures. And with an IP67 rating, it's impervious to water and dust.

Built-in wireless, plus versatile CompactFlash options

With the Recon, it's easy to make connections in the field. Bluetooth wireless lets you connect to mobile peripherals without cables, while 802.11g wireless gives you access to local area networks,

e-mail and the Internet. What's more, two CompactFlash (CF) slots let you add GPS, digital cameras, bar code scanners and other devices.

Hard working, yet easy to use

The Recon features a high-performance 200 MHz or 400 MHz Intel XScale processor, an improved touchscreen and a built-in microphone. Its long-life battery works all day without a recharge. And to keep your data safe, the Recon employs robust, custom designed, high-performance NAND Flash. Its Windows Mobile 6 software runs your favorite applications including your calendar, e-mail and Mobile versions of Word and Excel, plus PowerPoint.

You never want to compromise in your work. With the Recon, you don't have to.
